INSTRUCTIONS

1. Carefully cut out the paper sizer above. Be sure to make a small slit in the end for the ruler to slide through where marked.

2. Wrap the sizer around your finger with the numbers facing out and slide the rounded end through the slit.

3. For an accurate measurement, pull the sizer tight over the widest part of your finger. This could be a knuckle.

4. Read the number that lines up next to the slit. Viola, this is your ring size!

Measure your finger later in the day when it is at its largest

Avoid measuring your finger when its cold, which are at their smallest.
